ABOUT GAFOOR

With over 60 years of customer focused experience Gafoor stands today as one of the UK's long established-reliable poultry processors. Located in Preston, Gafoor is an independently owned family business which operates from a purpose-built modern plant producing fresh-quality chicken for our valued customers.

The role:

You will work as part of a team at our site in Preston processing and finishing poultry products to meet client's specification. We have different roles available within several various departments. It is absolutely essential to be Health and Safety conscious and ensure adherence to strict food and hygiene regulations.

Duties will include but not limited to:

- Dressing and preparing finished product for packaging
- Trimming, removal of bone fragments, gristle, surplus fat from finished cuts
- Working on various different production and finishing lines within the factory with the safe and correct use of scissors, knives, machinery or other equipment
- Ensure a safe working environment by following all standards of Health & Safety, Hygiene, Good Manufacturing Practise and actively participate in company trainings
- Be familiar with the daily production plan and work as part of the team to set up the line, complete checks and ensure materials are ready to use
- Completing tasks as efficiently as possible in order to reduce waste and downtime and maximise yields and profits

You will:

- Have a positive attitude and work ethic and possess excellent communication skills;
- Be able to work as part of a team;
- Previous food production experience is preferred but full training will be provided.

The rate of pay is the competitive rate of:

- Hourly rate – **£12.21** per hour, Overtime rate - **£15.26** per hour
